Certificate of Product Performance

Faceal Oleo HD

This is to certify that the product **Faceal Oleo HD**, when applied strictly in accordance with the manufacturer's guidelines, will **not cause staining** and will **maintain its water-repellent properties** for a period of **ten (10) years** from the official date of project completion.

To ensure the longevity and appearance of the treated surfaces, it is **recommended to perform periodic maintenance cleaning** using a **pH-neutral cleaning agent**.

This certificate is issued as a confirmation of performance and quality commitment from the manufacturer.
